

**PLEASE JOIN RABBI GLAZER
At The New Israel Fund's
Guardian of Democracy Dinner**

Please join Rabbi Rosalind Glazer, Honorary Committee member at the *Guardian of Democracy New Israel Fund's 16th Annual Dinner* on **Wednesday, October 13** at San Francisco's Four Seasons Hotel.

The event will feature **Avraham Burg**, veteran Israeli social activist and the youngest Speaker in the history of the Israeli Knesset, who has been called one of the best speechmakers in politics. We will be honoring Rabbi Rosalind's dear friend and longtime NIF supporter and activist **Diane Jordan Wexler** with the Guardian of Democracy Award and New Generations leader **Jeremy Litz**.

NIF is the recognized leader in Israel's flowering social change arena. We support Israeli non-profit organizations dealing with the most pressing social issues, from women's rights to the status of the Arab minority, from LGBT rights to expanding religious pluralism. Today, with NIF's help, Israel boasts a vibrant community of activists and organizations that pursue social justice and equality, and give voice to the disadvantaged.

Please join me in honoring these activists and supporting NIF. If you plan to attend, please let me know by contacting me at rglazer@bij.org or 415-586-8833 x 22.
